**EVALUATION**

**METRICS AND INSTRUMENTATION**

- Metric Development
  - Scale Development
  - Construct Development
  - Internal Structure of Measures
  - Contextual Stability
- Model / Framework
  - Development
  - Testing
  - Refinement
- Assessment Development
  - Multidimensional Assessment
  - Authentic Assessment

**DESIGN AND IMPLEMENTATION**

- Randomized- and Quasi-Experiments
- Mixed Method
- Mixed Mode
- Repeated / Longitudinal Measures
- Needs Assessment
- Metric Integration
  - Psychometrics
  - Biometrics
  - Econometrics

**OUTPUTS**

- Models / Frameworks
- Electronic Analysis Tools
- Analysis Procedures
- Valid and Reliable Instruments

**OUTCOMES**

- Increased Rigor of Measure
- Increased Accuracy
- Increased Efficiency
